

Murray Bridge Low Back Chair 60cm

The very smart looking, aluminium Murray Bridge Low Back Chair, is a multi-purpose height adjustable and depth adjustable chair that is suitable in any area of the home or hospital. The lightweight chair features a soft contoured back support, added lumbar support with padded arms and padded seat base for maximum comfort.

The Dot fabric range is an easy care, waterproof range that meets AS3744 for smouldering cigarette and ignitability standards.
